

Giving Online: How DonorNet Works

New Users

DonorNet is our online giving platform that allows individuals to make gifts, view previous contributions, manage account information, and review priority points. DonorNet is easier than ever to access and use. Simply visit CUBuffClub.com and click on “DONATE NOW”.

As a new DonorNet user, you will need to establish your online account. To do so, you will use the “First Time Here?” box.

A screenshot of the DonorNet login page. It features a 'Give Now!' button and a 'Returning Member with Login:' section with fields for 'Username:' and 'Password:', a 'Remember my username' checkbox, and a 'Sign In' button. The 'First Time Here?' section is highlighted with a red box and contains the text: 'Please choose from one of the following options: I Have a Past Donation or Ticket Purchase (Existing) I want to become a Buff Club Member (New)'. A 'Forgot password?' link is also present.

If you have never purchased a ticket or given a gift to CU Athletics, you are considered a new donor and you will click on “I want to become a Buff Club Member” to make a Buff Club account while also creating an online account with a username and password.

A close-up of the 'First Time Here?' section from the previous image. It shows the text: 'Please choose from one of the following options: I Have a Past Donation or Ticket Purchase (Existing) I want to become a Buff Club Member (New)'. The option 'I want to become a Buff Club Member (New)' is highlighted with a red box.

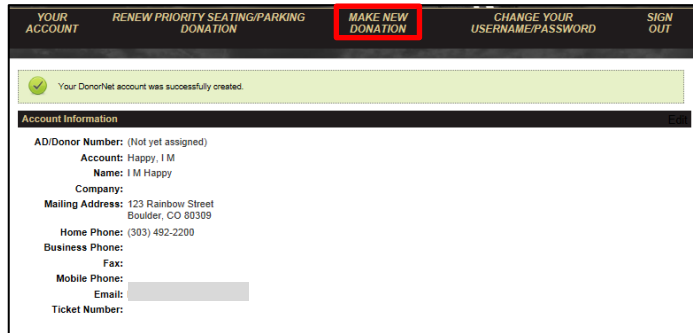

After clicking the link, you will be asked to enter your email address. This step will verify that your email address is not already associated with an account and thus prevent you from creating a duplicate account.

A screenshot of the email verification step. It shows a text input field labeled 'Email Address:' with a 'Submit' button below it. The text above the field reads: 'To create a Buff Club DonorNet account, enter your email address below. If you have questions, please call the Buff Club main line at 303-492-2200 and someone will assist you immediately.' Below the field, it says: 'If you already have an account, please sign in now.'

Please follow the instructions and fill in all of the required information and any additional information you wish to share.

A screenshot of the account creation form. It is divided into three sections: 'Account Information' with fields for 'Account Type', 'Username', 'Password', and 'Confirm Password'; 'Contact Information' with fields for 'First Name', 'Middle Initial', 'Last Name', 'Company', 'Address Line 1-3', 'City, State, Zip', 'Home Phone', 'Business Phone', 'Mobile Phone', and 'Fax'; and 'Additional Information' with fields for 'Birthday' and 'Spouse First Name', and a checkbox for 'I am interested in learning more about season tickets.' A 'Create your account >' button is at the bottom right.

Your account has now been created! You are now ready to make your gift using the “**Make New Donation**” button! You will be assigned an AD Number within a couple of days. If you have any questions at any time, please contact the Buff Club at buffclub@colorado.edu or (303) 492-2200.

The screenshot shows a web interface with a navigation bar at the top containing the following links: YOUR ACCOUNT, RENEW PRIORITY SEATING/PARKING DONATION, MAKE NEW DONATION (highlighted with a red box), CHANGE YOUR USERNAME/PASSWORD, and SIGN OUT. Below the navigation bar is a green confirmation message: "Your DonorNet account was successfully created." Underneath this message is a section titled "Account Information" with the following details:
